BRIEF ABSTRACT OF LETTER.

States that Mr. J. N. Krishnaaswamiengar, who has been managing the charities now, proposes to set off Rs 312 out of Rs 320 of the income on the endowment, and propose therefore, a modified scale of expenditure, which would leave Rs 68 for ref. etc.

NOTES AND ORDERS.

29/ In G.O. no. 2430-2/Muz. F. 576-08-2 of 29-6-09, an endowment of Rs 8000 made by Mr. Jangali Sesha Dyengar for the up-keep of the chattram built by him at Kadur was accepted and interest at 4% was allowed thereon. The interest of Rs 320 thereon

Serial

per annum was sanctioned to be utilized as noted below.

- 1) Mutsaddi's pay at Rs 6/- p. ^{month} ~~annum~~ — Rs 72/- per annum
 - 2) Sweeper's pay at Rs 4/- p. m. — Rs 48/- do.
 - 3) Lamp oil — Rs 20/- do.
 - 4) Scavenger - - - - - Rs 6/- do.
 - 5) Periodical repairs - - - - - Rs 54/- do.
 - 6) Distribution of rice to the poor Rs 120/- do.
- Total Rs. 320

2 Under the Charitable Endow^t Rules, the donor should maintain regular accounts and submit an annual report on the affairs of the institution. Though this does not appear to have been strictly adhered to for some years, the present manager has been more satisfactorily managing the institution.

3 The Manager Mr. Krishnaswamiyar, who is the grandson of the donor, proposes to modify the scale of expenditure in the following manner -

- 1) 4 scholarships of Rs 5/- each - Rs 20/- p. m.
to Brahman students. Rs 240/- per annum.
 - 2) Scavenger at Rs 4/- p. m. Rs 48/- do -
 - 3) Lamp oil at Rs 2/- p. m. Rs 24/- do -
- Total 312

This leaves only Rs 8/- per annum for repairs.

which is very inadequate. With a view to provide a larger sum for repairs, ^{to the sum} proposes to cut down the number of scholarships to 3 and ~~to~~ reserve Rs 68/- for repairs. But the details, which include a scavenger at Rs 6/- per annum, go to show that the total expenditure exceeds the income by Rs 6/- So, instead of Rs 68/- for repairs, only Rs 62/- can be provided for, which will be Rs 8/- more than the original provision -

4. There is nothing to show that the Manager ~~has~~ is agreeable to the modified proposals of the Dy. Commr.

5. The G.O. accepting the endowt of Mr Sesha Dyengar goes to show that the chattram was built and endowed with the object of providing accommodation to the travelling public of all classes and distributing rice to the poor. The present Manager has proposed to stop distributing rice to the poor and ~~also~~ grant scholarships to students, instead -

6. It is a point for consideration and orders whether a change in the object can be permitted, though the proposed change is keeping in with modern ideas -

SIR,

I have the honour to state that the Government have, in their order No.243C-2/Muz.570-0C-2 of the 29th June 1909, been pleased to accept under certain conditions, the deposit of Rs 3,000/- offered by Mr.Tangli Sbsha Iyengar for the maintenance of the Chattra built by him at Kadur. The management is now in the hands of ^{his} grand-son Mr.T.K. Krishnaswami Iyengar. The annual interest accruing on the deposit was to be utilized for the following purposes according to the conditions of the endowment.

1.Mutsaddi's pay Rs 6/- per mensem = 72 per annum.

The manager has received the interest till the close of the calendar year 1918 amounting to Rs 2240/- and has furnished

This comes to Rs 312 leaving nothing for the annual repairs to the building. I would, as a modification propose as follows:-

The modification suggested consists in giving three scholarships instead of giving rice to the poor and entertaining a purasta on Rs 6/-.

With reference to your letter No.3916/Muz.597-19-2 dated the 6th May 1920 calling for information on certain points regarding the change in the scale of expenditure of the Chattram built and endowed by Mr.Thangali Sesha Iyengar, I have the honour to submit herewith the Amildar's report and the statement of Mr.T.N.Krishnaswami Iyengar, the present manager received through the Sub Division Officer, Chikmagalur with his No.S.H.C.52/18-19 dated 2nd July 1920. No amount seems to have been spent on the distribution of rice, as that spent on other items exceeded the interest paid to him up to now.

Sir,

Referring to correspondence bearing
with your letter No.C.C.1062 of 18-12-20
dated 20th August 1920, regarding the
Chattram built and endowed by the late
Thangal Seshu Iyengar at Vaddu, I am
directed to state that the endowment in
question being one accepted at the fixed
rate of 4% interest under the rules pub-
lished in Notification No.F1.4707/G.F.184-
200, dated 12th February, 1908, it is not
entitled to the benefit of the higher rate
of 5% interest temporarily allowed by the
Government Order No.F1.4002-51/G.F.30-18-
14 dated 8th January, 1920, only in respect
of deposits accepted under the subsequent
notification of F1.475-500/G.F.15-0-20
dated 15th July 1908.

2. As regards the proposal to di-
vert the interest on the endowment for the
grant of scholarships to a few students,
I am to state that ~~as the rules of 12th~~
~~February 1908, referred to above do not~~
~~provide for any diversion of the original~~
~~object of the grant the Government regret~~
their inability to sanction ~~the same~~.
It may be ~~also~~ pointed out and explained
to Mr. Prishnadasu Iyengar that any such
change in the object of the grant will
only frustrate the expressed intention of
his father the donor, which is the distribu-
